

Messages from Maryhill

A Newsletter for Maryhill Manor Families

January, 2019

GREETINGS! It's hard to believe we are turning the calendar to 2019 already! Another year has flown by! There is something wonderful, though, about starting a new year and new beginnings. "St. Athanasius said of St. Anthony that he always looked upon himself as a beginner, as if every day were the first in which he was serving God..." (aleteia.org.) So on this new year, may we all look upon ourselves as beginners and use this new year as the gift that it is to continue to work on becoming the best selves that we can. At Maryhill Manor we will continue to strive to provide the best care and services to our residents that we can. Thank you for the trust you have shown in Maryhill and our staff in the past year by allowing us to care for your loved ones. God bless you in the year ahead! *** We have been working on our programming for people with Alzheimer's disease or other types of dementia, looking for ways to make their lives better. This past month we started a special activity program for those with dementia, particularly for those who have lost some of their personal boundaries or are at greater risk of falls. The program starts about 2:00 in the afternoon and goes into the early evening. The late afternoon and early evening hours are times that people with dementia often experience what is called "sundowning," which is a time of increased restlessness and confusion. This new program gives them a quieter place to spend time and activities that are geared for them to decrease frustration and increase feelings of contentment and belonging. There is a staff member present throughout the entire time that has received training in dementia care and helps to facilitate activities for those present. We are hopeful that this increased supervision and special programming will help to reduce falls, along with meeting the other goals of the program. If you have any questions about this program, feel free to give me a call or stop in. ***
HAPPY NEW YEAR! *Respectfully yours, Nancy Farnham, Administrator*

ACTIVITIES: Here is a sampling of activities for December!

**Check out the activity calendar in the main hallway at Maryhill to see more activities.
